

INSTRUCTIONS AND REPAIR PARTS LIST

**WCN25, MCN25
WATER CANTEEN
WBE25, MBE25, BASE
(OPTIONAL)**

Our canteen fits conveniently and compactly into a corner of your trailer, walk-in tack room and so forth. Take it with you when you are showing horses or exhibiting animals at fairs and expos. Use the strap to secure the tank against a fence or the side or nose of your trailer. The shutoff has a garden hose thread. You can store the hose in the opening in the base (hose not included). The poly resin used in the tank and in the base is FDA approved.
