

BROWER® MINERAL FEEDER

Significant shipping and cost advantage

Our Model LMF20 Mineral Feeder sports the quality features of our original Model LMF10 Mineral Feeder, yet Model LMF20 is designed and sized to reduce the cost of shipping.

We're Serious About Shipping Cost Reduction!!

Model LMF20 is shippable via ground package service with no oversize charges. Model LMF20 nests 20 feeders per pallet. The stack is 90" (228.6 cm) tall or 95" (241.3 cm) tall including the pallet.

Link pin allows flap to ride up when lifted by animals. This permits give and extends the life of the flap and feeder.

Heavy duty 36 inch (91.4 cm) diameter flap protected by 11 inch (27.9 cm) rubber disk. At virtually every farm show we attend, producers want to buy our flap to replace flaps on competing feeders.

BEST FLAP ON THE MARKET!

High density polyethylene body. Hindered amine light stabilizer, the most effective ultraviolet inhibitor.

The feeder has two compartments. The feeder will hold two standard mineral or salt blocks or a total of about 150 lbs. (68.2 kg) of loose mineral.

Two mounting holes for easy anchoring.
